Scarborough/West Durham Town Halls

Your input is valuable!

In early April, Dr. Eric Hoskins, Minister of Health and Long-term Care, created the Scarborough/West Durham Panel to develop a plan to address how hospitals in the Scarborough/West Durham region can work together to deliver acute health care programs and services in a way that meets the needs of local residents.

The Panel recognizes the importance of community engagement in this process. As part of a plan that includes focus groups and hospital-based surveys in Scarborough and West Durham, **Town Halls** have been included as an important component for seeking input from community stakeholders.

Building on the Minister's [*Patients First Action Plan for Health Care*](#) and extensive community consultation done through the Rouge Valley Health System and The Scarborough Hospital's *Leading for Patients* initiative, **the Panel will host two Town Hall Meetings and welcomes the valuable perspective local residents can provide about their health service needs***.

- The **Town Hall for Durham residents** is scheduled on **August 25th from 7-9 pm at the Hilton Garden Inn Ajax, 500 Beck Crescent, Ajax.**
- The **Town Hall for Scarborough Residents** is scheduled on **August 26th from 7:30-9:30pm at St. Paul's L'Amoreaux Centre, 3333 Finch Avenue East, Scarborough.**

*Residents are welcome to attend either session.

Please register to attend a Town Hall session at the site below:
