

CENTRAL EAST LHIN WEBSITE ACHIEVING OUR SHARED AIMS

The Central East LHIN website – www.centraleastlin.on.ca – is your best source of information on how the system is working together to enhance the public health care system and create an integrated system that is focused on delivering cost effective, high quality and accessible care.

Information on the website, such as board packages, links to accountability agreements, resource documents and much more, is updated on an almost daily basis to ensure that health service providers, government leaders, members of the media and community residents are aware of how everyone is working together to improve the health of the population, enhance the patient care experience and provide the best value for money through the achievement of the LHIN's two Strategic Aims - *Save 1,000,000 Hours of Time Patients Spend in Central East LHIN Emergency Departments by 2013* and *Reduce the Impact of Vascular Disease in the Central East LHIN by 10% by 2013*.

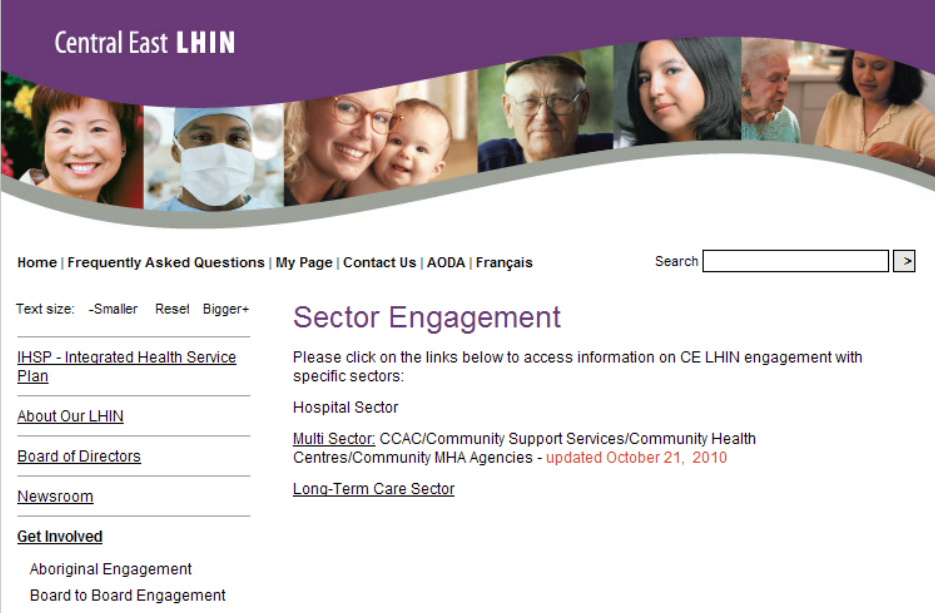

The chart below details the type of information that is available on the website. By creating a MY PAGE account on the Central East LHIN website, you have the ability to subscribe to MY PAGE enabled sections of the website and be automatically alerted when new content is posted.
